

Elisabeth (Beth) Stiles

I grew up in Glenview, IL and spent most of my adult life in Rockford, IL. My husband, Lou, moved to Pooler in January 2014 to escape the snow and cold and we never regretted it for a moment.

We started our journey to be Silverwood residents in January 2020 and then the world turned upside down. But we finally made it and are thrilled to be a part of this neighborhood.

I am a recent widow, suddenly losing Lou in June of 2021.

Our combined family includes 6 children and 4 grandchildren!

I am a small business owner who has the best clients which makes my job a joy!

Denise McCorkhill

Having lived in Silverwood for over 30 years, I am very interested in helping the Silverwood Plantation Homeowner's Association (SPHA) continue to be one of the premier subdivisions in our county. One of the great things about our community is the obvious pride our residents take in maintaining our property values. If selected to serve on the SPHA Board of Directors, I will focus on the following goals:

- Prudent financial management,
- Open communication with homeowners,
- Ensuring all common areas and amenities are properly maintained, and
- Transparent decision making at all board meetings.

I believe we all have a part to play in the community we live in. I have volunteered for a variety of organizations as a resident of Effingham County, they include: coaching soccer for the Effingham County Recreation Department for 15 years (retired now), past mentor with the Savannah Junior League, teaching pre-K Sunday school at Compassion Christian Church, serving on the SPHA Social Committee. In addition to my volunteer activities, I also work full time with an international telecommunications company. Prior to COVID when I wasn't traveling for work, my husband and I enjoyed visiting our grown children, camping, and family vacations. When I am home, we enjoy working in our yard and playing with our rescue dog, Bullet. One of my favorite holidays is Christmas. I volunteer my husband, Pat, to support me in my hobby of Christmas lights. If you drive down Palmetto during December, you might see that handy work.

Thanks for your support and I look forward to a productive year for the SPHA.

Cheryl Brown
