### Message from the President:

Spring is around the corner – Time to get ready for spring cleaning. We are giving out friendly reminders on items that need to be taken care of. Please let us know if you need Lamp post inserts – we have them at the office. We also have the paint for the mailboxes if you need it.

We have replaced the support for the steps at the clubhouse and are filling in potholes at the front of the subdivision. If you see maintenance that needs to be done, send us a note and we will add it to the list of activities to be worked on. It may take time to get to your item, but we do take all the comments seriously from our residents.

As a reminder, it's important that we get the decal forms returned. We use these forms to best serve you. The decal and card number section of the form is important as we will be updating our gate access list. Hannah has printed out extra decal forms and they are located at the office if you need a new one.

I hope all of you are doing well and staying healthy. Have a wonderful February – looking forward to the flowers and the pollen!

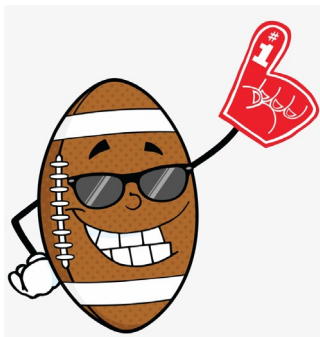

Do you know of someone in the community who needs a bit of help? Let us know we are here to support the community.

On behalf of your 2022 SPHA Board of Directors, thank you for your support. We look forward to working with you.

### February's Spotlight:

The Social Committee meets at the Clubhouse every 2<sup>nd</sup> Tuesday of the month at 8:00 pm. This year they are hosting a Super Bowl LVI Party on Sunday February 13. Feel free to bring a dish and/or drinks. March will be the luck of the Irish with a St. Patrick's Day celebration and April they are hosting the Annual Easter Egg hunt. Come see why this community just feels like family.

As a reminder the speed limit in the community is 20 MPH. The new board has already received speeding complaints. Please ensure you and your guests adhere to the community speed limit. The board would like to avoid revisiting speed bumps.

## STOP NEIGHBORHOOD SPEEDING

### A little extra speed makes a big impact.

**Runners and walkers, the key to hitting the pavement in the dark is to be able to see and be seen by others.**

- Wear reflective clothing and reflective running vest
- Wear a head lamp
- Reflective gear on arms and legs to include shoes
- Leave the headphones at home
- Run against traffic
- If you can, avoid running at dusk and dawn
- Move over for vehicles as they should provide the same courtesy

**“Life is better in running shoes.”**

**Scooter, Bicycle, Moped Safety**

- Wear a helmet
- Make sure you’re seen
- Follow road rules
- Don’t ride in the dark without a headlight
- Add additional reflectors

Cracked Driveways were brought up at the last HOA meeting. Would you know of a reputable concrete/mason that we could recommend to your neighbors?
