### Message from the President:

Spring is in the air! Time to spruce up our yards and the neighborhood. Please check your home and your yard. We will renew our covenant violation process starting in April. Please help us to not have to send out non-compliant letters. If you are unsure if you are in violation, please send an email to the office and we will provide guidance on correcting any issue. The Social Committee will host the Easter Egg hunt on March 27<sup>th</sup> at 10 am at the clubhouse. More information about this upcoming event will be sent with Facebook and email updates. We are always looking for additional volunteers for our committees. If you have ideas/recommendations for changes, please consider volunteering on a committee and being part of the solution. We have at least two vacant positions on our elections committee. We now need at least two (preferably four) members for this important committee. This is a mandate in our covenants. Please think about serving. And speaking of sprucing up, we are replacing wood around the clubhouse – painters will be in shortly. Also – please be mindful of our younger residents. Daylight is a little longer and they are out and about on their bikes and walking with friends. The speed limit is 20 miles an hour! As the saying goes... drive like you live here!

Denise McCorkhill
