Message from the President:

Happy New Year! 2021 is here and we are looking forward to a great year. Your new board is in place and one of our main priorities is ensuring that we are good stewards of the SPHA finances. Another priority is to enhance our sense of community within Silverwood. One of the ways we can accomplish this is with our committees. Please consider joining one so we can get more input from the entire neighborhood. There is much work to be done with improving our infrastructure and planning for future needs. The social committee is looking for new ideas / activities. The first social committee meeting is February 4th at 7:30 pm. All residents are invited to attend. We have at least two vacant positions on our elections committee. Anne Sawyer and Cindy Felipe have done an excellent job on this committee for many years and we are grateful for their service. We now need at least two (preferably four) member for this important committee.

On behalf of your 2021 SPHA Board of Directors, thank you for your support. We look forward to working with you.

Denise McCorkhill
