

SILVERWOOD PROPERTY HOMEOWNER'S ASSOCIATION, Inc.
Long Range Project Survey

1. The SPHA Board requests input from all homeowners concerning funding priorities for our community. Only one response per household is allowed. In order to confirm an accurate count of poll responses, the name and address of the individual completing the poll is required. Please return the poll to the SPHA clubhouse. The deadline for submitting your response is January 15, 2018. Results of the poll will be posted on the SPHA website and presented at the February 2018 board meeting.

2. Please rate the following projects on a scale of 1 to 10. A score of 1 indicates no interest and a score of 10 indicates very high priority. There are blank spaces at the end of the survey for residents to include additional projects. Project descriptions of each of these proposals are listed on the attached SPHA Long Range Capital Improvement Plan.
