

SPHA Residents:

The proposed 2019 SPHA budget is attached for your review. The Board of Directors conducted three special budget meetings during the last few months to help develop this spending plan. Input from residents that attended these meetings was extremely important in prioritizing future projects.

2019 BUDGET HIGHLIGHTS

- No increase in dues for 2019
- No proposed assessments for 2019
- Continue ongoing ditch & road maintenance projects
- Install new drainage system for clubhouse and repair clubhouse as necessary
- Playground upgrade
- Maintain over \$200,000.00 in cash reserves

The November SPHA annual meeting will focus on the election of the new Board of Directors and adoption of an annual budget. The Board of Directors is grateful for the many volunteers that work to help maintain our community and we are looking forward to a very productive 2019 for the SPHA.
